## U.S. Probation Officer Action:

In response to the non-compliance, Mr. Gould was issued a verbal reprimand, and the undersigned officer conducted a formal review of the conditions of supervised release, specifically the conditions regarding the use of controlled substances and mental health treatment. The U.S. Probation Office completed a new referral for a drug and mental health assessment and directed Mr. Gould to report to the U.S. Probation Office on a biweekly basis to ensure compliance until further notice. Mr. Gould has expressed challenges with his emotional and mental health because of a lack of employment and his reintegration back into the community. Mr. Gould maintained inconsistent employment for several months; however, he stated he recently obtained gainful employment on February 1, 2024, with Workflow Temp Agency. The U.S. Probation Office has requested verification of employment.

The Probation Office respectfully recommends no formal action be taken at this time, and this notice serves as a written reprimand; however, should further non-compliance occur, the Court will be promptly notified, and additional Court intervention may be requested.

Respectfully submitted,
